

Wyoming REACT Purpose, Goals and Operating Principles

Purpose:

The purpose of the REACT Committee will be to build partnerships; identify and resolve issues affecting recreation and tourism in Wyoming.

Operating Principles:

Membership:

REACT Steering Committee will be made up of executive level representation from the following agencies:

State Agencies:

Governor's Planning Office

Game and Fish

State Lands and Investments

State Parks, Historic Sites and Cultural Resources

Transportation

Travel and Tourism

Federal Agencies:

Bureau of Land Management

Bureau of Reclamation

National Park Service

USDA Forest Service

Other:

Congressional Delegation representatives

REACT Sub-Committees may be formed to accomplish specific tasks as assigned by the Steering Committee.

Steering Committee Meetings:

Location: REACT Steering Committee will meet three times in Cheyenne at the Barrett Building, due to most representatives being located in Cheyenne. One meeting a year will be held in Casper in conjunction with the Governor's Conference on Tourism.

Dates and Time: Meetings will be in June, Sept and Dec. In April a meeting will be held in conjunction with the Governor's Conference on Tourism in Casper.

Sub-committee Meetings:

Location, Dates and Times: These meetings may be held anywhere in the state to best serve the needs of the task and sub-committee membership.

Goals 2006:

Inform the interagency partners of new laws, regulations or initiatives that may affect statewide recreation and tourism at the quarterly REACT meetings.

Develop a statewide, interagency recreation strategy to guide recreation partnerships, enhance funding opportunities and resolve issues by the end of the 2006 Governor's Conference on Tourism.

Use sub-committees, task groups or local working groups to accomplish specific tasks identified by the REACT Steering Committee.
